**Foodshare provides food for people who are going hungry**

We work closely with churches, schools and The Brett Foundation to ensure free meals are available, for those in need, every day of the week. We also provide frozen homemade meals to be heated up.

Foodshare provides food for people who can’t provide for their families. We have enough pasta and baked beans but always welcome donations of items below.

- Tins of fish, ham, corned beef & meat
- Tins of fruit, tomatoes & vegetables
- Cereal bars & biscuits
- Cooking sauces, herbs & spices
- Fruit juice & jams
- Long life milk (UHT)
- Rice, soup & sugar
- Tea bags & instant coffee
